Avantor® and the Avantor Foundation Provide Support to Address Coronavirus (COVID-19) Pandemic

The Avantor Foundation donates \$100K to Charities Aid Foundation of America (CAF America) to support hospitals and relief organizations globally

Radnor, Pa. (USA) – April 23, 2020 – Avantor, Inc. (NYSE: AVTR), a leading global provider of mission-critical products and services to customers in the life sciences, advanced technologies & applied materials industries, and the Avantor Foundation, a private charitable foundation funded by Avantor, approved a humanitarian relief donation to Charities Aid Foundation of America (CAF America) to help organizations around the world on the frontlines addressing the coronavirus (COVID-19) pandemic.

The Avantor Foundation's mission is to create a better world by advancing science education and providing healthcare to the needy. The contribution to [CAF America COVID-19 Response](#) will support the work of hospitals, community-based organizations and other charities that are mobilizing around the world to support those affected by the pandemic.

"Avantor's mission of setting science in motion to create a better world is more meaningful now than ever before. We're doing everything we can to help people through this unprecedented time. I am moved by the dedication and resilience of our employees," said Michael Stubblefield, President and CEO at Avantor. "Our employees are committed to delivering the critical products and services our customers need to develop vaccines and therapies to treat this terrible disease."

"The Avantor Foundation enables us to go beyond what the Company does every day to advance science and provide much needed support to the communities we serve," said Valerie Cucinotta Collado, President and Board Member of the Avantor Foundation. "We are proud to contribute to the fight against the COVID-19 pandemic globally."

The Avantor Foundation donation will be recommended to be distributed to organizations across key geographies in which we operate including North America, Western Europe, India and Singapore.
