**FOR IMMEDIATE RELEASE**

## **Avantor® Announces Preliminary Third Quarter Unaudited Revenues**

**RADNOR, Pa. – Oct. 23, 2020** – Avantor, Inc. (NYSE: AVTR), a leading global provider of mission-critical products and services to customers in the life sciences, advanced technologies and applied materials industries, provided preliminary unaudited revenue estimates for the third quarter ended September 30, 2020, in conjunction with proposed debt refinancing transactions.

### **Preliminary Third Quarter 2020 Unaudited Revenues**

- Revenue of \$1.60 billion, increasing 6.7%; organic growth of 5.4%.

“Our third quarter revenue results reflect solid performance across our base business, including strong growth in the biopharma and healthcare end markets,” said Michael Stubblefield, President and Chief Executive Officer at Avantor. “We look forward to sharing our full financial results on our third quarter earnings release call scheduled for October 28, 2020.”

The estimated fiscal 2020 third quarter revenue results are preliminary and unaudited, reflect management’s current views and may change as a result of management’s review of results and other factors. Such preliminary results for the fiscal 2020 third quarter are subject to finalization, and should not be viewed as a substitute for full quarterly financial statements prepared in accordance with accounting principles generally accepted in the U.S. Our independent registered public accounting firm has not audited, nor have they completed their review and other procedures with respect to the preliminary results, nor have they expressed any opinion or any other form of assurance on the preliminary results.

### **About Avantor**

Avantor®, a Fortune 500 company, is a leading global provider of mission-critical products and services to customers in the biopharma, healthcare, education & government, and advanced technologies & applied materials industries. Our portfolio is used in virtually every stage of the most important research, development and production activities in the industries we serve. One of our greatest strengths comes from having a global infrastructure that is strategically located to support the needs of our customers. Our global footprint enables us to serve more than 225,000 customer locations and gives us extensive access to research laboratories and scientists in more than 180 countries. We set science in motion to create a better world. For more information, please visit [www.avantorsciences.com](http://www.avantorsciences.com).
